EXAMINATION PAPER

TIME: 3 HOURS

INSTRUCTIONS

Answer **ANY THREE** questions. Each question carries (100) marks

1. Discuss the standard documentation procedures for a museum collection.
2. 'Information management is the nerve centre of museums, archives, libraries and galleries'. Examine how any **TWO** of these institutions manage both their paper and electronic records.
3. Discuss the security concerns that have been raised with regards to having open access collections databases in museums and galleries.
4. Explain how libraries and archives in Zimbabwe are embracing digital technologies during the COVID -19 pandemic.
5. Discuss the challenges and opportunities of using Information Communication Technologies (ICT) in the documentation of museum collections.
