HCHS207: ANTHROPOLOGY AND ETHNOGRAPHICAL COLLECTION STUDIES
EXAMINATION

TIME: 3 HOURS

INSTRUCTIONS

Answer any THREE questions

1. Write notes on the following terms and explain their significance in anthropology and ethnographic collections in museums:

- i. Anthropology
- ii. Ethnography
- iii. Collections
- iv. Museum

2. Outline the major steps involved in collection of anthropology and ethnographical materials for a museum. How can one minimise or eliminate bias in the process?

3. Describe the conservation needs of collections in an anthropology museum.

4. Outline and explain the different elements of anthropology and ethnographic collections catalogue in museums

5. Discuss strategies being applied towards decolonising anthropology and ethnographic museums
