HCHS 218: HERITAGE INVENTORY AND ARCHIVING

TIME: 3 HOURS

INSTRUCTIONS

Answer **ANY THREE** questions. Each question carries (100) marks

1. Justify the view that a heritage inventory is a crucial tool for combatting museum threats, security and general management of collections.
2. Discuss the crucial information that should be captured when conducting a museum inventory.
3. Discuss how Information Communication Technology (ICT) systems enhance management of museums and archival collections.
4. Critically examine the role of arrangement and description of archives.
5. In your own opinion do you think that there are any good reasons why archival institutions should market their services or conduct public programs?
