**EXAMINATION PAPER**

**TIME: 3 HOURS**

**INSTRUCTIONS**

Answer any **THREE** questions.

Each question carries **100** marks

*Nov 2023*

1. Given the complex socio-economic challenges faced by youths in Zimbabwean rural communities, suggest any **FIVE** key measures that can be adopted by social workers to address these.
2. Discuss any **FIVE** roles that can be assumed by social workers working with youths haunted by unemployment.
3. Examine barriers to collective and active youth participation in Zimbabwe's socio-economic development.
4. Identify and discuss any approach to youth development of your choice and show its merits and demerits in addressing the problems faced by youths.
5. Imagine you are Youth Development worker within an agency working with the youth who are drug addicts. What knowledge and skills are required to effectively address the plight of these youths.
