EXAMINATION**

TIME: 3 HOURS

INSTRUCTIONS

Answer any THREE questions. Each question carries 100 marks

NOV 2024

-
1. 'Archaeology is anthropology or it is nothing'. Discuss.
 2. Discuss the main stages in the development of archaeology as a discipline.
 3. Analyse the major steps that one should consider before, during and after an archaeological excavation.
 4. Evaluate the assertion that 'the new archaeology of the 1960s is often criticised and evaluated from the prospective of post-processualism'.
 5. Using relevant examples, discuss the development of complex state societies in southern Africa.
