EXAMINATION PAPER

TIME: 3 HOURS

INSTRUCTIONS

Answer 3 questions

Each question carries 100 marks

-
1. Analyse the dependency theory as a component for African countries to realise socio-economic of development.
 2. With reference to examples discuss the conception that a country's economic or social development depends heavily on the various policies being adopted in the economy.
 3. Examine the impact of urbanization in the development of African countries.
 4. Discuss the notion that the Reserve of bank Zimbabwe could have stopped inflation and brought stability in the country by implementing austerity measures by reducing expenditure and using savings to kick the start the failing economy, instead of dollarization.
 5. Examine any five Sustainable development goals that the Zimbabwean government has implemented and its progress towards the development of the nation.
