SUSTAINABILITY

MG 505: ENVIRONMENTAL POLICY

JUN 2023

EXAMINATIONS

TIME: 3 HOURS

ANSWER **THREE** QUESTIONS. USE ILLUSTRATIONS AND DIAGRAMS WHERE RELEVANT. MARKS FOR EACH QUESTION ARE INDICATED IN BRACKETS [].

1. You have been incorporated into the Zimbabwe National Environmental Board of Directors. You have just gone round the country to assess the environmental situation and have been tasked to provide possible areas for amendment to the Policy. You are required among other things to provide input on the existing Zimbabwe National Policy Framework. What area would you provide as your contribution and what impact would such contributions have on the overall National Policy Framework? [25]
2. Discuss the ineffectiveness of the environmental law. [25]
3. Provide a critical analysis of the Zimbabwe National Environmental Policy and whether it has managed to meet the mandate of environmental protection. [25]
4. Critical examine the role of government in Zimbabwe in the environmental policy formulation and implementation. [25]
5. Provide a critical evaluation of the role of municipal bye-laws in the promotion and protection of the environment within their area of jurisdiction. [25]
