INSTRUCTIONS

Answer any **THREE** questions

Each question carries 100 marks

Candidates are expected to use relevant examples and cases in answering essay questions

-
1. Explain the realist and idealist views of the international system.
 2. Analyse David Easton's System Analysis in relation to the formulation of government's policies.
 3. Assess the importance of collective security to maintain peace in the world.
 4. African governments have been accused of failing to address the concerns of their citizens. When the leader of the second republic came to power in 2017, he made a lot of promises. As a representative of your community, you have been invited to give an address of what has been done and not done. Relate your address to the modern conception of human security.
 5. Discuss the problems posed by elites in the development of states.
